Introduction

Cadet College Panjgur covers an area of **150 acres** on the Panjgur–Awaran Road (near Peer Umer), **12 kilometres east of Panjgur town**. The College began functioning in **April 2012** with the induction of its first batch of 26 cadets in Class VII. Every year a new batch is inducted into Class VII from candidates who pass the admission test on district, divisional and provincial merit.

An English-medium residential institution, Cadet College Panjgur aims to provide quality education in a peaceful and disciplined environment — turning the child of today into a meaningful citizen of tomorrow, for the benefit of the local populace in particular and society as a whole.

Our guiding philosophy is to provide a wholesome and vitalising ambience in which cadets are inspired towards maximum achievement. Cadets are developed towards the ideal of the *"whole man"* through carefully co-related academic, training and sports programmes.

MISSION STATEMENT

"To function purely as an English-medium residential institution that imparts quality education from Class VII to Intermediate on modern and scientific lines — providing multi-dimensional programmes for the wholesome development of young cadets, and preparing well-groomed, upright leaders for active, result-oriented participation in all fields of life.
